I could not be more excited to be part of the Arizona Athletics family and serve as the new Vice President for Athletics. It is an honor and a privilege to join one of the finest departments in the nation; where we will continue striving for excellence both academically and athletically.

Academically, our number one goal is to assist our student-athletes in earning their degrees. Along the way, we hope to provide them with the tools they need to be successful in the classroom. Recently, our student-athletes have produced some of the best semesters on record, and with the addition of the Ginny L. Clements Academic Center (thanks to the support from our generous donors), we expect that positive trend to continue.

Athletically, we want to contend for both Pac-12 and National Championships. We have a number of programs that are consistently ranked among the nation’s top 25. We want that to continue, while providing the support and resources needed for all of our programs to compete for championships.

None of this is possible without the wonderful support of our Wildcat Club members and fans. From support at our events to our ability to provide the resources needed for our student-athletes, you make a difference.

Arizona is a special place and I am looking forward to being a part of the next chapter. I hope you will join me for the journey by joining the Wildcat Club and purchasing season tickets.

Thank you for what you do, and Bear Down!
The A-Club Letterwinners Association is a FREE organization open to individuals who have lettered and/or participated in an intercollegiate sport at the University of Arizona. The A-Club is designed to engage former student-athletes and encourage them to return to campus to stay connected with the University, coaches and former teammates. The A-Club promotes the history and tradition of Arizona Athletics. Only 2% of all UA alumni had the privilege and honor of wearing the cardinal red and navy blue. If you are an alumni letterwinner or participated in an intercollegiate sport, we encourage you to get involved with the A-Club and activate your FREE membership by visiting azaclub.com.

**WHAT IS THE A-CLUB?**

**ATHLETICS DEPARTMENT FUNDING**

Arizona Athletics is funded primarily though self-generated revenues. The department receives no state appropriations, but does receive 315 tuition waivers annually, authorized by the Arizona Board of Regents. Tuition waivers are provided to all three state institutions. Revenue to meet the rest of the department's budgetary obligations comes from a variety of sources including:

- Charitable gifts
- Ticket sales
- Corporate sponsorships
- Television revenues

**ROCKY LAROSE LEGACY LANE**

The University of Arizona Athletics Department is offering a once-in-a-lifetime opportunity for alumni, Wildcat fans, and supporters to become part of Arizona Athletics history. The Rocky LaRose Legacy Lane is part of the Eddie Lynch Pavilion and the historic walkway that leads to the Jim Click Hall of Champions, which honors the greatest moments, teams and letterwinners in Arizona Athletics history.

By purchasing a personalized tile, you will become a lasting part of UA tradition. Your tax-deductible donation will also help support nearly 500 student-athletes through the Wildcat Scholarship Fund.

For more information on how you can purchase a Legacy Lane tile, please visit ArizonaWildcats.com/legacylane.

**Why become an A-Club Member?**

- Free admission to Homecoming events
- Discounted admission to sporting events (excluding Football & Men's Basketball)
- Access to A-Club exclusive online store
- Receive newsletter
- Mentor & engage with current student-athletes

A Legacy Lane tile purchase of $100 or more makes you a Wildcat Club member and qualifies you to receive the corresponding benefits based on your annual gift club level.

It is a perfect gift idea for graduation, holidays, Father’s Day, Mother’s Day and more!
Certain areas of Arizona Stadium, McKale Center, Hillenbrand Stadium, and Hi Corbett Field carry a per-seat tax-deductible contribution over and above the ticket cost called “priority.” All season ticket holders whose priority amount totals $100 or more automatically qualify for membership in the Wildcat Club because the priority amount is a tax-deductible donation. Priority seating gifts are included in each donor’s annual gift club level.

**WHAT IS THE WILDCAT CLUB?**

The Wildcat Club is a collective group of individuals who provide financial support for nearly 500 University of Arizona student-athletes. The support from these donors allows Arizona Athletics to compete with the best in the nation by providing:

- Programs that allow student-athletes to succeed on and off their respective playing surfaces
- Financial support for scholarships
- State-of-the-art facilities
- Equipment and travel

With a tax-deductible donation of $100 or more (or $50 or more for recent graduates within three years of graduation), individuals become a Wildcat Club member. Most tax-deductible gifts fall into one of the below categories:

- Philanthropic gifts (i.e. capital campaign donations, sport/area specific giving, scholarships, endowments)
- Ticket Priority (the tax-deductible portion of the overall ticket price)

Donations of $100 or more make you a Wildcat Club member! Visit wildcatclub.org for more information.
GIVING OPPORTUNITIES

WILDCAT SCHOLARSHIP FUND
Donating to the Wildcat Scholarship Fund means making a commitment to the academic success of all Arizona student-athletes. Scholarship costs are projected to be more than $5.6 million annually* and are one of the largest and most important needs of the Athletics Department.

SPORT SPECIFIC OR AREA GIVING
Individuals may also choose to support specific sports or areas within the Athletics Department. These generous contributions offset the operating costs of specific sports and areas.

CAPITAL PROJECTS
Individuals who contribute to the ICA Capital Campaign help fund facility projects that support UA student-athletes. Currently these contributions provide support for projects such as the McKale Center renovation, Lowell-Stevens Football Facility, Jim Click Hall of Champions, Kasser Pool, Roby Gymnastics Practice Facility, Richard Jefferson Gym, Hi Corbett Field & the C.A.T.S. Academic Center.

PLANNED GIFTS
By including Arizona Athletics in your estate plan (i.e. bequest, charitable gift annuity, charitable IRA distribution), you can help ensure a quality student-athlete experience for future generations of Wildcats. Arizona Athletics works closely with the UA Foundation concerning a specified planned gift to honor the intentions of the donor. Priority Points will be given to donors who establish irrevocable planned gifts after calculating the IRS Charitable Deduction.

ENDOWMENTS
Establishing an endowment for Arizona Athletics affords a donor the unique opportunity to provide scholarship support in perpetuity; it’s a gift that keeps on giving. A minimum commitment of $100,000 must be made to create an endowment within Arizona Athletics. By doing so, the individual will become a member of the Wildcat Club and receive the appropriate annual giving benefits.

The University of Arizona deeply appreciates your loyalty and continued support of our programs. We strive to serve the University, our student-athletes and our fans. Compliance with NCAA regulations is of the highest priority for our athletics programs and institution. In order to accomplish this, we must always seek the highest standards of ethical conduct. With your assistance and cooperation, we can achieve these goals.

WHO IS A “PROSPECTIVE STUDENT-ATHLETE?”
A “prospective student-athlete,” known as a recruit or prospect, is a student who has started classes in the ninth grade. In addition, any younger student who receives any benefits from the institution would be considered a prospect.

YOU ARE A REPRESENTATIVE OF ATHLETICS INTERESTS IF YOU:

- Have made any type of financial or in-kind contribution to the athletics department or to an athletics booster organization
- Are or have been a member of any organization or agency promoting Arizona Athletics
- Have assisted in any manner in the recruitment of prospective student-athletes
- Have arranged for or provided benefits to enrolled student-athletes or their families or to prospective student-athletes and their families
- Have otherwise promoted Arizona’s athletics program in any manner

Remember, once you are identified as a representative of athletics interests (commonly known as a booster), you retain that identity FOREVER. Representatives of athletics interests are bound by NCAA, Pac-12 Conference and University of Arizona rules and regulations. As a result, representatives of athletics interests are responsible for notifying the University of Arizona Athletics Compliance Office of any potential rules violations. If a booster is found to be involved in a violation that results in the imposition of sanctions, the booster may be subject to the following consequences: revocation of ticket privileges; disassociation from the athletic department (e.g. loss of donor program and/or booster club privileges); or loss of any other athletically related benefits or privileges deemed appropriate by Arizona.

AS A REPRESENTATIVE OF ATHLETICS INTERESTS YOU MAY:

- Provide employment opportunities for current student-athletes* (Please contact the Compliance Office or C.A.T.S Life Skills Office with any opportunities)
- Provide occasional meals to student-athletes in your home*
- Bring outstanding prospects to the attention of the Arizona coaching staff

*Requires athletic department approval prior to occurring.

AS A REPRESENTATIVE OF ATHLETICS INTERESTS YOU MAY NOT:

- Call, write, email, text, tweet or post on a prospect’s social media page encouraging their enrollment at UA
- Provide a prospect with free or reduced rate transportation, lodging, meals, gifts, entertainment or expenses for any type of service
- Entertain or provide gifts, tickets or other benefits to club, junior or senior high school, prep school or junior college coaches
- Arrange or create employment opportunities for relatives, friends or legal guardians of prospects
- Purchase tickets from student-athletes

Representatives of athletics interests are reminded that NCAA rules regarding enrolled student-athletes remain in effect throughout the entire year, including summer break. When student-athletes complete their final season of eligibility, they must abide by NCAA rules until the end of that academic year and/or until they are no longer receiving athletic financial aid.

GUIDE TO NCAA REGULATIONS FOR REPRESENTATIVES OF ATHLETICS INTERESTS

WHO DO I CONTACT?
This information is provided as a brief reference guide to the many NCAA regulations. All applicable situations cannot be covered; therefore, if you have any questions, please don’t hesitate to contact our Compliance Office:

McKale Center Rm. 231
P.O. Box 210096
Tucson, AZ 85721-0096
(520) 621-4796
Contributions for priority seating as well as other contributions to Arizona Athletics are estimated to be 80% tax-deductible. Please consult your tax advisor. The Internal Revenue Service states that the deductible amount of the gift is calculated after the fair market value of all offered tangible benefits associated with the Wildcat Club have been subtracted from the payment. Reduction varies on annual gift club level. Benefit values available upon request. All benefits may be declined with a written request at the time the gift is made. All benefits and giving levels are subject to change on an annual basis. All payments for tickets and/or priority seating must be made from the account holder’s credit card or account associated with the account. Additional benefits and giving levels must be entered into the account with season tickets, while gifts can be made on behalf of another person (at donor’s request). All donations must be received by May 1, 2017 to qualify for 2017-2018 benefits. For more information please contact a member of the Wildcat Club staff at (520) 621-CLUB (2582).

Benefits for the 2017-18 academic year are available to those who make their donation by May 1, 2017. This deadline is important because benefits (such as parking) will be allocated within two weeks of this date.
In 1990, the Wildcat Club Priority Point System was created to supplement the priority seating program and reward loyal Wildcat fans for years of season ticket purchases and contributions to Arizona Athletics. The following table illustrates the ranking of the current Wildcat Club membership by priority points as of December 2017. This system is used to determine:

- All post-season ticket assignments including quantity and location (must be current Wildcat Club member or current season ticket holder in corresponding sport). Allocation is determined by annual gift club level first, then priority points.
- Single-game tickets for away Football and Men’s Basketball games (must be current Wildcat Club member or current season ticket holder in corresponding sport).
- Season ticket upgrades for current members during the renewal process in Football, Women’s Basketball, Softball and Baseball (upon availability).
- Men’s Basketball season ticket upgrades within the same priority area. Example: A donor wishes to improve their “C” area seats within the same section, or move to a different “C” area section.
- Selected luncheon and banquet seating.

All donations must be received by May 1 to qualify for 2017-2018 Wildcat Club annual giving benefits.

An individual ranked in the first 25 people of the priority point system has at least 20,236 points. This list is the current standing as of May 31, 2017.
